EXPERIENCE
AND SKILLS
A COMMITTED DUO
FOR GENTHOD

YESTERDAY, TODAY,
TOMORROW WITH YOU
FOR GENTHOD

**Voting for Karen and Bastien
TOGETHER means:**

- > A **complementary set** of financial, human and technical skills to help address tomorrow's challenges
- > A shared vision of **collegiality** and the importance of collaborative work
- > A **pragmatic** approach to politics and the ability to find practical solutions

Karen Guinand | 54 years old | Freelance financial analyst | Deputy mayor, member of the committee of the Association des Communes Genevoises, president of the social commission of the Groupement des Communes de la Rive Droite du Lac, member of the committee of the Association Transfrontalière des Communes Riveraines de l'Aéroport

Voting for Karen Guinand means:

- > **Continuity** in Genthod's management
- > An in-depth **knowledge of local issues** and administration operations
- > A well-established **inter-communal network** that allows Genthod's voice to be heard, joint services to be offered and a united position regarding broader challenges to be developed (notably, airport noise nuisance and early childhood care facilities)
- > A continuing, strong **motivation** to develop and implement projects that bring people together, with an eye to community well-being
- > Recognised **financial skills**, a solid experience in team management and a particular focus on **communication**

Bastien Guex | 44 years old | Biologist, Scientific assistant | Former president of the local council, member of the committee of the Genthod-Bellevue gymnastics society

Voting for Bastien Guex means:

- > Three-**term experience** as member of the municipal council, including two years as Chairman
- > An excellent **knowledge of communal and cantonal administration**
- > Expertise in **environmental** planning and project management
- > An excellent understanding of the **local fabric** and how the community has developed over the years
- > A strong **attachment to Genthod**, which underpins his desire to reinforce his commitment by joining the executive authority
- > Recognised **listening**, curiosity and empathy capabilities
- > A **professional network** useful for the activities of a commune
